

Press Release

Sadler Law Expands, Opening Pittsburgh Office

Houston – December 1, 2011 - Sadler Law, the Houston-based national law firm dedicated to the legal concerns of energy companies, establishes its second home with the launch of its Pittsburgh office.

The new office is located near Pittsburgh in Canonsburg, Pennsylvania, at 380 Southpointe Blvd, Ste. 300, Southpointe Plaza 2, Canonsburg, PA 15317. Jacob Lenington, J.D., existing manager of the Appalachian area, leads the opening team of 15 lawyers, law clerks, and an office manager. The location and size of the office is positioned for growth.

“It is with great excitement and energy that Sadler Law opens our Pittsburgh office, moving forward our commitment to the Appalachian area and the Marcellus Shale. Our firm will become part of the community, bringing both small firm warmth combined with the tools of a national oil and gas firm. Despite an economy of challenges and uncertainties, during 2011 Sadler Law has prospered, continued to hire, and will continue on a track of success. I am excited about the future and our opportunities in Pittsburgh.” – Randall K. Sadler, J.D., Managing Partner, Sadler Law.

About Sadler Law: For three decades, Sadler Law has addressed the challenges of the energy industry. It devotes its multistate practice exclusively to the legal concerns of energy companies in the areas of exploration, production, exploitation, development, acquisitions, and disputes. Sadler Law Firm has invested considerable energy to bring you highly cost-effective legal advice that enables you to conduct business efficiently. We assist you in your oil and gas operations by providing legal advice — without imposing unnecessary constraints. We focus on the matters that have the highest impact on your operations. We have created efficiencies in our processes by paying close attention to their components, streamlining them wherever possible. We never stop evaluating how we can represent your interests in ways that are more efficient and cost effective. Sadler Law Firm has the depth and the oil and gas experience to handle all of your legal requirements, from land management and title examinations to energy transactions of every size. When you choose Sadler, you benefit from the agility and innovation of a small law firm. But,

when you need the energy that a team of lawyers can bring, you've got it. You can count on Sadler Law to respond quickly and decisively to your questions. We focus on creating solutions.
